## Field Day Countdown: 7 Days!

Barely a week to go and Field Day will be here: Friday, June 14th! We need about **15 more volunteers** to make it a success. This year we have Survivor-themed activities. There will be **over 30 activities** for the students to participate in. We will also need help with **set up and clean up**. Plus, **if you have a truck to help us deliver equipment to the field, that would be GREAT!** Please look at the times below and contact Monique Niven [kmniven@msn.com](mailto:kmniven@msn.com) if you can run an activity, guard equipment, bring your truck, set-up and/or clean-up. If you have any requests on events, such as “wet” vs. “non wet” activities, please specify that as well as if you have a particular person you would like to do an activity with, or go recruit someone to join you in the fun! Absolutely **no experience required**, just a good sense of humor and ready for a good time.

- 10:00 - 12:00 Set-up for Field Day
- 12:00 - 1:00 Parents to guard equipment during recess
- 1:00 - 3:00 Actual Field Day
- 3:00- 4:00 Clean-up

## 5th Grade Grad Potluck Tonight!

## *Aesop's Funtastic Fables*

June 14th & 15th at 7 pm

Newport High School Performing Arts Center

Childhood favorites come to life on stage as Puesta del Sol's 4th & 5th graders enact Aesop's Funtastic Fables. Fifty kids will energetically present a musical comedy that leads the audience into a magical world of imagination.

Aesop and his friends have been rehearsing as diligently as the hard-working ants in the fable, *The Ants and the Grasshopper*. Memorable stories such as *The Tortoise and the Hare*, *The Fox and the Crow*, and *The Lion and the Mouse* illuminate the morals and lessons of life with humor and pizzazz. The show boasts a groovy goat, rapping bumblebees, assiduous ants, a wise owl, an indecisive bat, honey-lovin' bears and theatrical frogs. It's a veritable cornucopia of anthropomorphic delights!

**BUY YOUR TICKETS TODAY!** Pre-sale tickets are \$7 and available online at [pds.schoolauction.net/aesop/homepages/show](http://pds.schoolauction.net/aesop/homepages/show) as well as before and after school (look for dates). Tickets at the door will be \$10.

## BSD Wants to Know: Fill Out the Online Survey by June 16

The Bellevue School Board and Superintendent are asking for your feedback about the education and services your child is receiving. The survey allows you to give specific feedback about our school and building. Please take a moment to fill out this important feedback survey—it takes about three to five minutes. Simply go to [bsd405.org/about-us/school-board/2013-parent-satisfaction-survey.aspx](http://bsd405.org/about-us/school-board/2013-parent-satisfaction-survey.aspx). The survey, available in multiple languages, is available on the front page of the district web site as well as in paper form upon request at each school office and closes **June 16**. **Library News: Turn in Your Books!**

Although the deadline for book returns is Friday, June 7<sup>th</sup>, there are many books still out. It is often hard to get those last books back to the library, so I have been given permission to hold a student's yearbook until (her or she) has returned or paid for their books. Get your books in ASAP!!

Students who have given a donation this year to the Birthday Book Club will receive recognition and a small token of thanks during their library time next week. Thank you all for contributing to our wonderful book collection!!

Students in 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade will be given a booklet listing the Sasquatch Award books for next year. Please encourage your children in those grades to read them over the summer. Graduating 5<sup>th</sup> graders will find them in the middle school libraries next year as well as all KCLS libraries.-Stacey Brody, Puesta del Sol Librarian

**A Thank You to BSF**

Many thanks to BSF from Puesta del Sol's third grade teachers and students! We received funds from the Bellevue Schools Foundation to improve our guided reading libraries with different reading levels of fiction and non-fiction books. We are very thrilled for this opportunity, and we look forward to continue supporting our students to strengthen their reading comprehension skills. We are very grateful for all the wonderful things that the Bellevue Schools Foundation does for our schools! Thank you BSF, we love our new guided reading books!"

The Spanish Immersion through the Arts Committee would also like to thank BSF for helping to fund our unforgettable Afro-Caribbean Artist-in-Residence Program in March. Muchas Gracias!

**Principal/PTA Coffee Topics of Discussion**

The last Principal/PTA Coffee of the year was May 29th. Some topics that were discussed:

- Year end assembly - The last day of school is June 19th and ends at 11:05. There is a short assembly where students "graduate" to the next grade.
- Dreambox computer math program - Dreambox is available for your student to access through the summer. The Bellevue School District is expanding access to Dreambox to older grades next year.
- Class size - 25 is the target per class per grade. Puesta del Sol is available and open for testing in the upper grades where space exists.
- The BSD "Sizzle" Summer camp at Puesta del Sol will focus on STEAM (Science, Technology, Engineering, Art and Math). The Sizzle program is in English. Many Puesta del Sol teachers offer summer camps in Spanish at Puesta del Sol. Check out Summer Camps offered on the Puesta del Sol school or PTA website.
- Parents and students will have access to the Puesta del Sol library's databases over the summer. Check out the attached flyer or pick up a bookmark at the library for passwords.

The Principal/PTA Coffee will be continuing next year. We hope you can join us!
